COMMENTS ON EXAMINER'S REASONS FOR ALLOWANCE AND STATEMENT OF INTERVIEW

Applicant appreciates the opportunity to have discussed the pending claims with the examiner in a telephone interview on November 13, 2007. 27, 32, 33, and 36 are distinguished from the cited prior art for at least the reasons stated in the Reasons for Allowance. Applicant does not concede that the stated reasons are the only grounds for patentability of the allowed claims, that the limitations excluded from the Reasons for Allowance are taught or suggested by the art of record, or that all of the limitations are necessary for patentability of the allowed claims or other claims directed to the disclosed subject matter. For example, other claims including different limitations are patentable over the cited prior art.

Please apply the required fees in the amount of \$1,740 to our Deposit Account No. 06-1050.

Respectfully submitted,
